The information on this map has been compiled by King County staff from a variety of sources and is subject to change without notice. King County makes no representations or warranties, express or implied, as to accuracy, completeness, timeliness, or rights to the use of such information. This document is not intended for use as a survey product. King County shall not be liable for any general, special, indirect, incidental, or consequential damages including, but not limited to, lost revenue, or lost profits resulting from the use or misuse of the information contained on this map. Any sale of this map or information on this map is prohibited except by written permission of King County.

The map displays a proposed 'Core Connection' route in Seattle, highlighted in a thick green line. The route begins in the south near Pike St and Union St, proceeds east on Pike St, then turns north onto Bellevue Ave, Broadway Ave, 10th Ave E, and Harvard Ave E, finally ending near Funman Ave E. The map includes various street names such as E Roy St, E Pine St, E Pike St, Boren Ave, and Delmar Dr E. Water bodies are shown in blue with a dotted pattern. A legend in the top left corner identifies the green line as the 'Core Connection' and 'Eligible Core Route: 49'. It also features a north arrow and a scale bar from 0 to 0.5 miles. A disclaimer from King County is included, stating that the information is for informational purposes only and not a survey product. The map is produced by the King County Department of Transportation, Service Development Section, Speed & Reliability Group.
